# APP-SOLUTE FASHION IN YOUR POCKET

Today, ONLY launches an iPhone App. The ONLY App is a must-have accessory for all fashionistas. It is the trendiest and most hyped media device at the moment keeping you updated on the latest news and providing denim trends whenever you like. Therefore, it is with great pleasure that ONLY presents our very own iPhone App!

## Key features in the ONLY iPhone App:

Become your own stylist! Play with the latest tops, jeans, and accessories to create your favorite outfit. And share it with your friends on Facebook!

Browse the latest collections and get inspired by the setting, styling, and atmosphere of girls having fun in the ONLY Universe.

Find stores close to you. Via GPS, you will be guided to the nearest store as easy as ABC, wherever you are

Feel the ONLY vibes live with the latest ONLY videos.

## How to get it:

The ONLY iPhone App is free to download and use. The App can be downloaded to the iPhone via iTunes on the computer or App Store directly on the iPhone.
